

# I'm planning to dig. How does **811** work?

1. Call 811 or go to your state 811 center's website a few days before digging to request that buried utilities in your yard be marked.
2. Wait a few days for all utilities to respond to your request.
3. Confirm that all utilities have responded.
4. Respect the utility marks or flags.
5. Dig carefully around buried utilities.
